

MID-WEIGHT CREATIVE

Overview:

We have an exciting opportunity for a creative communications experienced candidate to join our dynamic Creative Team, based in our London Office, to work across a roster of clients ranging from premium and luxury brands to global FMCG. A good understanding of various marketing disciplines and the marketing mediums that make up an integrated marketing campaign are essential.

Troika / Mission Group needs you to demonstrate:

- Previous experience working within a communications agency in a Creative role
- A passion and drive to develop truly exciting and unique creativity
- An ability to clearly and succinctly communicate a Creative idea / platform both internally and to a client
- An ability to evaluate ideas and routes with proven success
- An understanding of multi-channel campaigns that cover online, offline and experiential
- A solid competency with the Adobe Creative Suite

mission
